Penobscot County Local Emergency Planning Committee

Quarterly Meeting Agenda

LEPC OVERVIEW

Local Emergency Planning Committees (LEPCs) are required under federal and state law to coordinate hazardous materials response preparedness activities. In Maine, LEPCs are organized at the county level. The Penobscot County LEPC has expanded their mission to include all hazard planning. Currently, there are several membership categories that we are trying to ensure get filled. If you know of anybody that may be interested, please invite them to a meeting or have them contact the Penobscot County EMA office.

LEPC roles include:

- Receiving inventory information from facilities
- Developing a response plan
- Identifying training needs
- Sponsoring exercises
- Educating the public

Membership Representation LEPC

- Elected Officials
- Law Enforcement
- Emergency Management
- Fire Service
- Emergency Medical Services
