

Cont'd.	#9: Create and develop rural water supply (fire ponds & dry hydrants)	Wildfire	\$25,000	Bangor Fire, ME Forestry Service, City Engineer, Legal Dept. and Public Works	1-3 years	Deferred; no funds
	#10: Install beaver control structure to prohibit damage to city trail system	Flood	\$25,000	City Forester, City Engineer and Public Works Director	1-3 years	Deferred; no funds
	#11: Penjajawoc Stream bank stabilization (behind Sam's Club, Mt. Ave, Young St, and Meadow Brook Rd.	Flood	\$100,000	City Engineer, Public Works Director	1-3 years	Deferred; no funds
	#12: Stabilization of the 14 th Street storm water discharge outlet	Flood	\$65,000	City Engineer, Public Works Director	1-3 years	Deferred; no funds
	#13: Implement and refine a stormwater and non-point source pollution control program	Flood	\$50,000	City Engineer	1-3 years With the use of Town Funds	Deferred; no funds
Bradford	#1: Installation of Generators within town shelters at town hall and fire department	All	\$50,000	Town manager, Fire Department	1-3 years	Completed 2008 partial grant & town funds
	#2: Upgrades to new fire department building to meet need and use as a shelter	All	\$100,000-\$350,000	Fire Department	5- 10 years	Deferred; no funds
	#3: Replace/resize bridge on Lagrange Rd	Flood	\$45,000	Selectmen	1-3 years	Deferred; no funds
	#4: Middle Road Bridge - Replace/resize	Flood	\$25,000	Selectmen	1-3 years	Deferred; no funds
	#5: Lagrange Rd. -Replace/resize culverts	Flood	\$10,000	Selectmen	1-3 years	Completed 2013
	#6: Sand Salt Shed	All	\$350,000	Selectmen	1-3 years	Completed 2013
Bradley	#1: Acquire/Relocate/Elevate flood prone homes	Flood	Varies by Situation	Town Manager, Town Council	3-5 years	Deferred; no funds
Brewer	#1: Installation of mobile Generators at Brewer Auditorium to maintain proper use as a shelter	All	\$35,000	Brewer City Manager, Fire Chief, Parks and Recreation Director	1-3 years	Completed 2008 Town Funds
	#2: Stabilization of shoreline near and around Waster Pollution Control Facility	Flood and Erosion	\$300,000	Director of Environmental Services, Fire Chief, Department of	3-5 years	Completed 2014

				Environmental Protection		
	#3: Upgrade culvert on Eastern Road 16wide x10ft high 90 feet long	Flood	\$750,000	Public Works Director	3-5 Years	Deferred; no funds
Burlington	#1: Sibley Rd. Elevate (2) cottages.	Flood	\$30,000	Board of Selectman	1-3 years	Deferred; no funds
Carmel	#1: Fuller Rd. Upsize (2) 48" x 40' culverts	Flood	\$4,000	Road Commissioner	1-3 years	Completed 2008
	#2: Haskel Rd. scouring of bridge abutments	Flood	\$64,840	Road Commissioner	1-3 years	Completed 2008
	#3: Garland Road Bridge improvement	Flood, Erosion	\$100,000	Road Commissioner	3-5 years	Deferred; no funds
Carroll Plantation	#1: Osgood Rd. Ditch 25,000' & add (4) 18" x 32' culverts.	Flood	\$54,000	Board of Selectman	1-3 years	Deferred; no funds
	#2: Lowell Rd culvert resizing & redo where washed out.	Flood	\$3,000	Board of Selectman	1-3 years	Completed 2014
	#3: Ricker Rd-Drainage, ditching for length of rd.	Flood & Erosion	\$10,000	Board of Selectmen	1-3 years	Deferred; no funds
	#4: Oliver Rd - Regrading & ditching, tree removal	Flood & Erosion	\$3,500	Board of Selectmen	1-3 years	Completed 2013
	#5: Danforth Rd – more drainage for 1 mile of road	Flood & Erosion	\$10,000	Board of Selectmen	1-3 years	New Project
	#6: North Rd – Repaving of 2.2 miles of road, replace culverts & drainage.	Flood & Erosion	\$375,000	Board of Selectmen	1-3 years	Completed 2015
	#7: Ditch 1,200' & add (4) 18" x 32' culverts. Brown Rd & reset culverts	Flood	\$21,500	Board of Selectman	1-3 years	Deferred; no funds
Charleston	#1: Bacon Rd., Ditch 10,000' add (3) 48" x 30' culverts	Flood & Erosion	\$30,000	Road Commissioner	1-3 years	Completed
	#2: Harris Rd., Ditch 5,000' elevate 7,500' x 22' x 16" add (4) 24" x 30' culverts.	Flood & Erosion	\$127,000	Road Commissioner	1-3 years	Completed
	#3: Paine Rd.- elevate 1000', ditch, add fabric & 24" culvert	Flood & Erosion	\$25,000	Road Commissioner	1-3 years	Completed
	#4: Replace culverts on Bacon Rd at Crooked Brook	Flood & Erosion	\$100,000	Road Commissioner	3-5 years	Completed
	#5: Monitor roadway drainage systems and study areas of need for upgrades	Flood & Erosion	\$10,000	Road Commisioners	1-3 years	New Project

Chester Chester, Cont'd.	#6: Town Boat Landing. Rip rap 3' x 75' add gravel.	Flood	\$25,000	Board of Selectman	1-3 years	Completed 2012
	#7: Covert community center into shelter. Install generator and purchase 30 cots.	All	\$9,000	Board of Selectman	1-3 years	Completed 2012
	#8: Monitor roadway drainage systems and study areas of need for upgrades	Flood & Erosion	\$10,000	Road Commissioner	1-3 years	New Project
Clifton	#1: Purchase a Propane generator to supply power to fire station/town office when normal power is out	All	\$5,740	Local EMA	3-5 years	Completed 2013
	#2: Create dry hydrants for fire protection around Hopkins pond	Wildfire	\$350,000	Town manager, EMA Director	3-5 years	Deferred; no funds
	#3: Extend Bangor water district lines into community	Wildfire	\$1,500,000	Town manager, EMA Director	5-10 years	Deferred; no funds
	#4: Develop emergency public water source	All	\$100,000	EMA Director	5-10 years	Deferred; no funds
	#5: Create a fire substation for Eddington fire department	All	\$50,000	Eddington Fire Chief	3-5 years	Deferred; no funds
	#6: Create a town or regional shelter for local community use.	All	\$100,000	Town manager, EMA Director	3-5 years	Deferred; no funds
	#7: Create Emergency Operations and hazards plan, training and equipment	All	\$50,000	EMA Director	3-5 years With the use of Town Funds	Deferred; no funds
Corinna	#1: Sunken Bridge Road, upsize, elevate, and pave roadway	Flood	\$85,000	Road Commissioner	1-3 years	Deferred; no funds
Corinth	#1: Covered Bridge Rd. Upsize (2) 36' x 30' culverts.	Flood	\$3,000	Road Commissioner	1-3 years	completed 2013
	#2: Black Rd Upsize 36" x 30' culvert & repave.	Flood	\$2,000	Road Commissioner	1-3 years	completed 2013
	#3: Monitor roadway drainage systems and study areas of need for upgrades	Flood & Erosion	\$10,000	Road Commissioner	1-3 years	Deferred; no funds
	#4: Hudson Rd. Install Beaver guard.	Flood	\$1,500	Road Commissioner	1-3 years	completed 2013
Dexter	#1: Complete Engineering Assessment of Wassookeag Dam and complete reconstruction and direction of Dam and Holding Pond	Flood	\$250,000	Town Manager, Dept. of Public Works,	1-3 years	Completed 2008

	#2: Upgrades to town storm water drainage system- Monitor and study improvements needed	Flood	\$1,500,000	Town Manager, Dept. of Public Works,	3-5 years	Deferred; no funds
Dixmont	#1: Upgrades and repairs to culverts and elevating Raven Hill Rd in affected flood areas	Flood	\$150,000	Selectmen, and DOT	3-5 years	Completed 2008
	#2: Upgrade Mitchell Rd	Flood	\$32,000	Public Works Director	3-5 years	Completed 2011
	#3: Upgrade Cates Rd	Flood	\$10,000	Public Works Director	5-10 years	Completed 2013
	#4: Upgrade Jewell Rd	Flood	\$10,000	Public Works Director	5-10 years	Completed 2013
	#5: Install beaver deceivers	Flood	\$10,000	Public Works Director	1-3 years	Completed 2013
	#6: Install Generator at Shelter	Winter Storm	\$5000 (Town Funds)	Select Board	3-5 years	Redesigning plan
Drew Plantation	#1: Elevate Andrews Rd & replace culverts	Flood	\$7,000 spent	Selectmen	3-5 years	Partial Complete 2014
	#2: Develop Winter storm educational material	Winter Storm	\$500	Selectmen	1-3 years With the use of Town Funds	Deferred; no funds
East Millinocket	#1: Conduct Public Education on Flooding and wildfires	All	\$1,000	EMA Director, School Dept.	5-10 years Town Funds	Deferred; no funds
	#2: Conduct Stormwater Runoff Education	Flood	\$500	Public Works Director	5-10 years	Deferred; no funds
	#3: Acquire/Relocate/Elevate flood prone homes	Flood	Varies by situation	Town Manager	3-5 years	Deferred; no funds
	#4: Western Ave storm drain system	Flood	\$69,000	Public Works, MDOT	1-3 years	Deferred; no funds
Eddington	#1: Raise level of Rooks Road, improve drainage at David Pond (road flooded in 2005 due to plugged culvert)	Flood	\$100,000	Town Manager	3-5 years	Completed 2018
	#2: Design proposed fire station/town office to include use as an emergency shelter for residents	All	\$1,100,000	Fire Chief, Town Manager, Board of Selectmen	3-5 years	Completed 2008

Eddington, Cont'd.	#3: Purchase a diesel generator to supply power to the fire station/town office when normal power is out	All	\$20,000	Fire Chief, Town Manager, Board of Selectmen	3-5 years With the use of Town Funds	Completed 2013
	#4: Provide town office with educational materials to give to residents	All	\$0.00	Fire Chief, Town Manager	1-3 years	Completed 2008
	#5: Replace Davis Rd bridge	Flood	\$100,000	Town Manager	1 Year	funds appropriated
	#6: Construct new fire station at Clewleyville in conjunction w/ Holden	All	\$50,000	Fire Chief	3-5 years	Deferred; no funds
Eddington, Cont'd	#7: Replace Clewleyville Rd. bridge	Flood	\$200,000	Town Manager	1 Year	New Project
Edinburg	Not participating	N/A	N/A	N/A	N/A	N/A
Enfield	#1: Develop a Stormwater management Plan	Flood	\$1,500	Town manager, Public Works	1-3 years With the use of Town Funds	Deferred; no funds
	#2: Upgrade and increase size of culverts on town roads	Flood	\$40,000	Town manager, Public Works	1-3 years	Deferred; no funds
	#3: Create and provide educational materials to community about dangers of Wildfires	Wildfire	\$500	Town Manager, Fire Department	1-3 years With the use of Town Funds	Deferred; no funds
	#4: Mohawk Rd - Relocate six homes located in flooding area	Flood	\$300,000	Town Manager, Public Works	5-10 years	Deferred; no funds
Etna	#1: Retrofit Town Hall to act as emergency and evacuation shelter	All	\$5,000	Town manager and Selectman	3-5 years	Deferred; no funds
Exeter	#1: Chamberlain Meeting House Rd. Upsize culvert 48" x 50'.	Flood	\$3,500	Road Commissioner	1-3 years	Deferred; no funds
Garland	#1: Elevate and retrofit Garland Pond Dam to elevate the potential flooding dangers in the community	Flood	\$150,000	Board of Selectman	5-10 years	Deferred; no funds

Garland, Cont'd.	#2: Complete floodplain study to determine effects of flooding upon community, involving Updating and reevaluating FIRM maps, and surveying community involvement	Flood	\$50,000	Board of Selectman	1-3 years With the use of Town Funds	Deferred; no funds
	#3: Whiting Road, reconstruct, elevate 50 ft. due to beaver dam	Flood	\$75,000	Road Commissioner	5-10 years	Deferred; no funds
	#4: Elevate and upgrading culverts to elevate flooding on necessary roads	Flood	\$85,000	Road Commissioner	1-3 years	Deferred; no funds
Glenburn	McCarthy Rd. Upsize (12) culverts 24" x 30'	Flood	\$12,000	Road Commissioner	1-3 years	Completed 2008
	Lake View Rd. Upsize (2) 24" x 30' culverts.	Flood	\$2,000	Road Commissioner	1-3 years	Completed 2019
	Maryman Rd. Upsize (3) 24" x 30' culverts.	Flood	\$3,000	Road Commissioner	1-3 years	Completed 2015
	Relocate Twitchell Home located in Eroding area	Erosion	\$50,000	Town manager		Completed 8/2006
Glenburn Cont'd	#1: Lakeview Rd Culvert	Flood	\$125,000	Public Works	2-5 years	New Project
	#2: Lucky's Landing Rd (2) Catch basins	Flood	\$45,000	Public Works	1-3 years	New Project
	#3: McCarty Rd Culvert	Flood	\$40,000	Public Works	1-3 years	New Project
	#4: Marston Meadow Rd Culvert	Flood	\$40,000	Public Works	3-5 years	New Project
	#5: New Town Office	All	\$1,600,000	Town Manager	1-3 years	New Project
Greenbush	#1: Rebuild Olamon Stream Crossing, Stabilize abutments and rebuild bridge	Erosion, Flood	\$4,000	Town manager	1-3 years	Deferred; no funds
	#2: Install Antenna and base radio systems for emergency communications	All	\$5,000	Town manager	3-5 years	Deferred; no funds
	#3: Rebuild and elevate Lower River Road	Flood	\$20,000	Town manager	3-5 years	Deferred; no funds
	#4: Rebuild and elevate Middle River Road; Partially complete, built second access to Rte. 2 for traffic egress in 2006.	Flood	\$20,000	Town manager	3-5 years	Partially completed 2006

	#5: Penobscot River Bank Stabilization Project.	Erosion	\$250,000	Town manager	5-10 years	Deferred; no funds
Hampden	#1: Installation and upgrades to Subsurface drainage system on Paper Mill Road	Flood	\$9,687	Town Manager, Dept. of Public Works and DOT	3-5 years	Completed
	#2: Upgrade culverts and raise roadway along Meadow Road	Flood	\$300,000	Public Works	3-5 years	Deferred; no funds
Hermon	#1: Develop safety plan for Bangor Airport event.	All		Fire Chief	1-3 years with Town funds	Deferred; no funds
	#2: Intersection Bog Rd. Upsize culvert. Needs Engineering.	Flood	\$15,000	Public Works	1-3 years	Completed 2013
	#3: Fuller Rd.-beaver guard	Flooding	\$1,500	Public Works	1-3 years	Completed 2014
	#4: Generator for heat and power to diesel fuel pump	Winter Storm	\$9,000	Public Works	1-3 years	Deferred; no funds
Holden	#1: Construct new fire station	All	\$450,000	Public Safety Director	3-5 years	Completed 2015
	#2: Install new repeater on Chick Hill	All	\$10,000	Public Safety Director	1-3 years	Completed 2012
	#3: Monitor roadway drainage systems and study areas of need for upgrades	Flood & Erosion	\$10,000	Public Works Director	3-5 years	New Project
	#4: Construct new fire station at Clewleyville in conjunction w/ Eddington	All	\$50,000	Public Safety Director	3-5 years	Deferred; no funds
Howland	#1: Develop a Stormwater management Plan	Flood	\$50,000	Town manager, Public Works	1-3 years with Town funds	Deferred; no funds
	#2: Upgrade and increase size of culverts on town roads	Flood	\$60,000	Town manager, Public Works	1-3 years	Deferred; no funds
	#3: Develop Emergency Warming Shelters by purchasing generators for Church and Municipal Building for emergency electricity during hazard conditions	All	\$5,000	Town Manager, Fire Department	3-5 years	Completed 2013
	#4: Create and provide educational materials to community about dangers of Wildfires	Wildfire	\$500	Town Manager, Fire Department	1-3 years with Town funds	Deferred; no funds
Hudson	#1: Hudson Hill Rd. Upsize 48" x 60' & 60" x 60' culverts, repave	Flood	\$9,000	Road Commissioner	1-3 years	Completed 07/2008

	#2: Create and provide educational materials to community about dangers of Wildfires	Wildfire	\$500	Town Manager, Fire Department	1-3 years with Town funds	Deferred; no funds
	#3: Acquire/Relocate/Elevate flood prone homes & roads	Flood	Varies by situation	Town Manager	3-5 years	Deferred; no funds
Kenduskeag	#1: Townhouse Road, Upsize Culvert and repave	Flood	\$2,500	Road Commissioner	1-3 years	Completed 2007
	#2: Clark Road, Upsize culvert and repave	Flood	\$1,500	Road Commissioner	1-3 years	Completed 2007
	#3: Southard Ave, Upsize culvert and repave	Flood	\$2,500	Road Commissioner	1-3 years	Completed 2007
	#4: Acquire/Relocate/Elevate flood prone homes & roads	Flood	Varies by situation	Town Manager	3-5 years	Deferred; no funds
Lagrange Lagrange, Cont'd.	#1: S. Lagrange Rd. rip rap 1,000' x 6' upsize (2) 48" x 32' culverts.	Flood	\$16,000	Town Manager, Road Commissioner	4 years	Completed 2014
	#2: Town Rd. Elevate 1,000' x 20' x 18" add (6) 24" x 30' culverts.	Flood	\$42,000	Town Manager, Road Commissioner	4 years	Completed 2014
	#3: Geotextile fabric for 1 mile of Medford Road. 12" of gravel to build up road.	Flood	\$50,000	Town Manager, Road Commissioner	3-5 years	New Project
	#4: 1,000' x 16" raise So. Lagrange Road	Flood	\$6,000	Town Manager, Road Commissioner	1-3 years	New Project
	#5: Fire Tower Rd. Install Geotextile 1,250' & regrade.	Erosion, Flood	\$12,000	Town Manager, Road Commissioner	4 years	Completed 2014
Lakeville	#1: Upgrade and increase size of culverts on Dill Brook roads	Flood	\$75,000	Board of Selectman	1-3 years	Completed 2007
	#2: Duck Lake Rd.- replace/resize culvert	Flood	\$100,000	Board of Selectman	3-5 years	Deferred; no funds
Lee	#1: Upgrade and increase size of culverts on town roads.	Flood	\$45,000	Road Commissioner	1-3 years	Deferred; no funds
	#2: Upgrade culvert at Mallett Mill Rd	Flood	\$20,000	Road Commissioner	1-3 years	Completed 2010
Levant	#1: Relocate and Rebuild Fire Dept. out of Flood Zone	Flood	\$950,000	Town Manager	5-10 years	Completed in 2009
	#2: Complete Engineering Study to evaluate Stormwater for retrofit and upgrades of culverts and roadways in flood zone	Flood	\$5,000	Town Manager, Road Commissioner	1-3 years with Town funds	Completed 2018

	#3: Upgrade and increase size of culverts on Mt. Pleasant Road, Griffin Road, Tay Road and Lake Road	Flood	\$50,000	Town Manager, Public Works, Road Commissioner	1-3 years	Completed in 2009
Lincoln	#1: Half Township Rd. Ditch 30,000'.	Flood	\$58,000	Town Manager, Public Works, Road Commissioner	1-3 years	Deferred; no funds
	#2: Acquire/Relocate/Elevate flood prone homes	Flood	Varies by Situation	Town Manager	3-5 years	Deferred; no funds
Lowell Lowell, Cont'd.	#1: Train firefighters in wildfire techniques	Wildfire	\$5,000	Fire Department	1-3 years with Town funds	Deferred; no funds
